

lading. Paragraph (f) of the clause requires the contractor to represent, with its final invoice, that: (1) No ocean transportation was used in the performance of the contract; (2) only U.S.-flag vessels were used for all ocean shipments under the contract; (3) the contractor had the written consent of the contracting officer for all non-U.S.-flag ocean transportation; or (4) shipments were made on non-U.S.-flag vessels without the written consent of the contracting officer. Contractors must flow down these requirements to noncommercial subcontracts and certain types of commercial subcontracts. Subcontracts at or below the simplified acquisition threshold are excluded from the requirements of paragraph (f) stated above.

The clause at DFARS 252.247-7024, Notification of Transportation of Supplies by Sea, is prescribed for use at DFARS 247.573(c) in all contracts for which the offeror represented, by completion of the provision at DFARS 252.247-7022, that it did not anticipate transporting any supplies by sea in performance of the contract. Paragraph (a) of the clause requires the contractor to notify the contracting officer if the contractor learns after award of the contract that supplies will be transported by sea.
